If you are, you need to tell Fred as soon as possible. He has to draw up a list for insurance purposes, and he will shortly be changing the entry codes on the security system. Without a new code number you will not be able to turn off the alarm when you come in!

Pauline Cowan has received another letter from Maxuel de la Rosa, the boy we are sponsoring in the Dominican Republic. His letter is on the board in the Fellowship area

Dear Mrs. Pauline Cowan,

Hello! May God bless you! I'm happy to be able to write you again. I want to share with you about the history of a day in my life. The person who wakes me up in the morning is my mother. I have cookies and juice for breakfast at 8:00 am; then I have lunch at noon. I attend school and share with my classmates. What I do at the end of the day is to have dinner, to watch television and to do the homework. I like to play with my cousins. I sleep alone in my bed. I go to bed at 9:00 pm. What do you like the most about your day? What do you like the less? Who do you like to share with? I thank you so much for everything you do for me, for your contributions and prayers. I ask you to continue praying for me and my family, and I also ask you to pray for my classmates from the CDI. With nothing more, I ask you to write me soon and to send me photos, if it's possible. I say good-bye with kisses and hugs. Yours,

Maxuel De La Rosa
